Available sizes UK 3 – 15

340028

Additional toe protection

Upper Material

Waterproof leather/textile combination (1.6 – 1.8mm), hydrophobic and breathable.

Inner Lining

GORE-TEX® Extended; waterproof and highly breathable. Abrasion-resistant lining with optimized climate comfort, especially for flexible alternating inside and outside use and at warmer temperatures.

Insert

Comfortable, cushioning and moisture repellent. Separate heel shape for good cushioning and foot insertion. "AIRFLOW" channels.

Non-woven insole

Moisture absorbing insole.

Running sole

Made of rubber, resistant to fuel oil, heat and cold compliant with EN ISO 20347:2012, non-marking

Anti Slip

Very good grip on different terrains by profile configuration and use of a special rubber.

Inner sole

2-component PU, light, cushioning and supporting

HAIX® Protective sole

Flexible, lightweight and anti-puncture metal-free sole.

Smart Lacing

Smooth and non-pressure adjustment of the boot to the foot, quick lock and lace pocket.

Sun Reflect

Reduces the heating effect of the upper leather by direct sunlight. Sunlight is reflected by the leather, keeping the leather and the feet cooler.

Others

Low weight, pull-on loop, closed lacing system with lace pocket, additional tip protection, metal-free, antistatic, very slip-resistant sole in wet and cold conditions, permanently good absorption

Security note

These shoes are made for your safety and to protect your health in professional use.
